(In parentheses riders' ages)

All riders live in Chorley except Paul Kelly (Leyland) and Anthony Sutcliffe (Burnley)

Support Team: Neil Mochan

Warren and Michael will be driving the support vehicle loaded with personal luggage, cycle spares and cycles to Munchen. The team who have work commitments will be leaving later and will fly to Munchen on Sunday 16th of September. Ideally the team want to arrive and put in a good 5 hours cycling in the day. The plan is to arrive about 11.00 am and hopefully get about 40 miles under our belt on the first day.
